

Staying safe from Coronavirus (Covid-19)

Stay safe. Stay 2m apart.

It's more important than ever to stick to safety rules.

So for now, stay at least 2m (6 feet) apart.

Help stop the spread. Help everyone keep safe.

Visit the HomeSafe website to find out more.

Stay informed. Stay aware. Stay safe.

Staying safe from Coronavirus (Covid-19)

Stay safe. Know the symptoms.

If you have either or both of these symptoms,
stay at home and do not come to work.

Visit 111 online to see what you should do.

DON'T CALL 111 unless you can't get help online.

Visit the HomeSafe website to find out more.

Stay informed. Stay aware. Stay safe.

Staying safe from Coronavirus (Covid-19)

Stay safe. Hold the handrail.

It's important that you use the handrail on the stairs.

But you **MUST** wash your hands afterwards, for at least 20 seconds, with soap and water.

Keeping your hands clean helps keep us all safe.

Visit the **HomeSafe** website to find out more.

Stay informed. Stay aware. Stay safe.

Staying safe from Coronavirus (Covid-19)

Stay safe. Wash your hands.

We need to wash our hands much more often.

Especially when we've been in contact with frequently touched surfaces.

Wash for at least 20 seconds with soap and water.
If you can't, use sanitiser gel.

Visit the HomeSafe website to find out more.

Stay informed. Stay aware. Stay safe.

Staying safe from Coronavirus (Covid-19)

Stay safe. Keep on talking.

We're all worried, anxious, concerned and afraid right now. That's normal.

Talking about how we feel helps ourselves and others. It helps everyone understand that they are not alone.

Together, we'll make it through.
